Ranch Bungalow with 2-Car Garage & RV Storage. Everything you need is on the main floor! This bungalow is an open concept 3-bedroom design with a large mudroom and closet upon entering from the 2-car garage. The kitchen has a large corner pantry plus an eating island with a second sink. A sliding patio door leads from the dining room to the rear covered patio, which is vaulted. The kitchen, dining room, and great room have a vaulted ceiling running front to back. The laundry room is just inside the garage door, beside the front foyer. The front has a covered patio to enjoy as well. The master bedroom has a 4-piece ensuite and a huge walk-in-closet. There is an access from the ensuite to the rear patio area. A second bathroom accompanies the other two bedrooms. On the other side of the garage is an attached RV storage unit measuring 30' wide by 50' long with a 16'x14' door. Your RV will never have to be stored outside. This design can be built with or without the RV storage - your choice.
