**Bungalow Plan.** An easy to build bungalow design with a lengthy rear deck off the living room. Laundry, a large closet and the bathroom are on either side of the front entry. A wood stove sits in the corner of the stairway, beside the dining room table. The U-shaped kitchen has plenty of cabinets and counter space. Two bedrooms on this level with the master having its own 3-piece ensuite and closets the full length of the wall. The basement level is undeveloped and can be designed or finished as you wish.
